

Your DCDogfinders Puppy Shopping List

There are **3 Essential Items** that you must have before you take your puppy home.

1. Royal Canin Small Puppy Dry Dog Food

Leave a bowl on the floor so your puppy always has access to it, day and night, 24 hours a day, 7 days a week

Be sure to leave a bowl of fresh water as well.

2. Royal Canin Puppy Appetite Stimulation Canned Dog Food

Give it to your puppy for breakfast and dinner for the first few days at home. Do not mix it with the dry food. Put in a separate bowl beside the dry food. 4 or 5 cans.

3. High-Calorie Dietary Puppy Supplement

Give this to your puppy twice a day, breakfast time and dinner time, for the next three months. Do not mix it with the food. Either puppy or adult product is fine.

NOTE: This product is available only at Petco. The PetSmart brand (GNC) is not recommended.
